PARAMOUNT . . . is a publicly owned corporation dedicated to the furthering of numismatics. We serve and advise collectors in all aspects of collecting, regularly dispensing reliable information to the beginner as well as to the advanced numismatist and consistently maintaining the highest standards of honesty and integrity in all of our business dealings.

PARAMOUNT . . . is the exclusive world-wide numismatic agent for the distribution of proof sets and special commemorative coins from many foreign countries, including the Bahamas, Nepal, Liberia, Panama, Jamaica, India, Trindad-Tobago and the Cayman Islands. Negotiations are currently in progress with other countries as well, and so Paramount will undoubtedly expand its proof set program during the coming year. This program has many safeguards designed specifically to protect the collector and his investment. For example, each set has a limited order taking period and the number of sets minted exactly equals the number of sets ordered during that specified period. A full color catalog describing the many beautiful proof coins that Paramount will be offering in 1973 is now available. Please write for your complimentary copy.

PARAMOUNT . . . has one of the most extensive selections of rare United States and foreign coins in existence. Our regularly issued Special Price Lists and Rare Coin Lists are read by thousands of active collectors, dealers and investors. Whether you are a serious collector or just a casual one, you can be assured that your order, want list or inquiry will be given prompt personal attention by our expert staff.

PARAMOUNT . . . constantly needs to replenish its huge inventory of rare coins. This means that we are willing to pay more for your choice and rare coins than anyone else in the business. If the value of your collection warrants it, we will come to you to buy it. So if you have coins for sale, we will both benefit if you call John S. Queen at (513) 836-2654. You may call collect, of course.

PARAMOUNT . . . is one of the country's leading numismatic auction houses, and over the years has handled many famous rarities, including the 1894-S dime and the fabulous 1913 Liberty head nickel. In August of 1972, Paramount conducted the prestigious American Numismatic Association auction for a record eighth time! In addition to the NASC auction, during 1973 we will conduct the Greater New York auction in New York City in May, and the Grand Central auction in New York City in November. We are accepting consignments for these and other fine sales right now, so please contact John S. Queen for further details.

Terms of Sale

THIS IS A PUBLIC AND MAIL BID AUCTION SALE — All material is sold to the highest bidder. Mail bids are entered in the order received, and in the event of duplicate bids, the Lot is awarded to the first bidder. PLEASE FILL IN COMPLETELY ALL INFORMATION REQUESTED ON THE BID SHEET.

* All "Floor bids" are final.
* All bids must be submitted for the entire Lot, partial Lots will not be sold.
* Bids will not be accepted from minors.
* Title to all auction Lots remains with Paramount until paid in full.

GUARANTEE — All material offered is guaranteed genuine and as described in the catalog unless otherwise stated. AUCTION SALES ARE NOT APPROVAL SALES! Any claim of error must be made within three days after receipt of material. Lots may not be returned without written permission.

VALUATION — To assist bidders, we have indicated an estimated value on most Lots based on "Trends," reference books (catalogs), and recent auction records. This is an estimate and in no way is meant to be indicative of the price the Lot will actually realize as higher or lower prices may prevail.

PAYMENT — The terms of this Sale are strictly CASH, and payment is to be made immediately on receipt of either material and/or invoice. Remember, Auction Sales Are Not Approval Sales! NOTE: In the event of Lots delivered "on the floor," local Sales Taxes will apply. Lots shipped from our offices in Englewood are subject to 4½% Sales Tax chargeable to Ohio Residents. Postage and insurance will be added to your invoice on Lots shipped.

TO MAIL BIDDERS — No "Buy" or "Unlimited" bids will be accepted. We act as your agent and will purchase for you as much below your bid as the next highest bid will permit. No commission is charged for handling your bids, and we reserve the right to refuse ridiculously low bids. PLEASE RECEHCK YOUR BID SHEET as we cannot assume responsibility for errors in either the amount bid or the Lot number entered on your Bid Sheet.

REFERENCES AND DEPOSITS — If bidders have not established credit with our Company in the total amount of their bids, then complete and satisfactory credit references must be supplied—and a deposit of 25% of the total amount of bids will be required in order that such bids may be executed. Deposits submitted will be applied to purchases and any unused portion of such deposits will be refunded immediately after the Sale. PAYMENT WILL BE REQUIRED IN ADVANCE OF DELIVERY OF LOTS WHEN THE TOTAL SUM EXCEEDS THE AMOUNT OF PREVIOUSLY ESTABLISHED CREDIT.

Mail Bids for this Sale must reach our office in Englewood, Ohio ON OR BEFORE Tuesday, February 20, 1973. Late bid sheets may be mailed direct to Paramount International Coin Corp., % Los Angeles Hilton, 930 Wilshire Boulevard, Los Angeles, California 90017. A postpaid envelope is enclosed for your convenience.

QUANTITATIVE GRADING

You will notice as you leaf through this catalog that we are now using the QUANTITATIVE GRADING method of describing most of the Lots in this Sale. This is to help you, the bidder, to know more precisely the condition of a coin. It works like this: If a consigned coin just meets the minimum requirements to qualify, for example, Very Fine by Brown & Dunn standards, that coin will be listed as VF-25. If it is what normally would be listed as Very Fine to Extremely Fine, the coin would be designated as VF-30.

The following numbering system is employed in this scale:

Very Fair 3	Very Fine 20–30
Good 4–6	Ext. Fine 40–45
Very Good ... 8–10	About Unc..... 50–55
Fine 12–15	Uncirculated 60–70

We believe this Grading System will prove beneficial to you. Your reaction and comments on this would be appreciated.

INSTRUCTIONS TO MAIL BIDDERS

If you have never before bid by mail, you may feel somewhat at a loss in submitting a mail bid for an auction sale. Basically, however, the procedure is quite simple. You will notice on the enclosed Bid Sheet a place for entering the Lot Number as well as the amount you wish to bid (It is not necessary to describe the lot on which you are bidding). After carefully reading the description of the Lot in question, simply write down the Lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 193. Determine the maximum price you will pay for this Lot and enter this amount on the Bid Sheet as follows:

NO.	BID
193	95 00

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a Lot. However, there's always the chance you may obtain the Lot for less! As indicated in our "Terms of Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is $95.00 on Lot No. 193, and the next highest bid, whether by mail or floor, is only $75.00, the Lot would be awarded to you at $80.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read very carefully our "TERMS OF SALE". And if you have any questions regarding bidding or regarding the Sale itself, drop us a line and we will reply at once. Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many bargains are obtained through the medium of auction sales, and it can be a very exciting as well as rewarding method of obtaining needed items for your collection. We look forward to your participation in this, as well as future Sales.

GENERAL FOREIGN

22. --- **A complete set of the British crowns of the 20th Century. 1902 thru 1965 in custom hard plastic. The 1902 (matte), 1927, 1935 (Relief edge inscription and some hairlines), 1937, 1951, 1953 and 1960 are all proof. The 1928 (65 to 70), 1932, 1933, 1934 (65) and 1965 are Uncirculated. The 1930, 1931 and 1936 are About Uncirculated. The 1929 is Extremely Fine. A great many of these are scarce and very hard to obtain. The Key 1934, of which only 932 were struck is about as nice as one will see. An excellent set and should bring $3250.00**

23. GUATEMALA, 2 Reales, 17-- G (Ferdinand VI) Cob. C-7. Very Good 8. $25.00

26. --- 2 Reales, 1811 Mo (T. H.) Rare mint master. C-109. Very Good-8. ---

The following 8 Reale cobs are outstanding examples of very seldom offered early pieces of eight.

Superior Stamp and Coin, a company which has been a leader in promoting and selling Mexican pieces, has only offered four Charles II 8 Reales in their recent sales including the Spanish Galleon sale.

In Superior's June sale, they had one Charles II piece with no date, mint mark, or assayer and it realized $100.

Almost all the following, including the early Philip IV, have mint marks. Some have assayers and other have dates. The unlisted 1680 piece has full date, mint mark, and assayer. All should realize $100 or more and several substantially more.

A most unusual offering and a rare opportunity for the Mexican collector to add to his collection.

27. MEXICO, 8 Reales, N.D., Mo. Philip IV Cob. P Assayer. Fine-12, pretty well struck. Quite round. Some light reverse corrosion. Rather deep planchet crack. $125.00

Sheet size – 8" x 9", crisp new and unique. $1000.00

40. --- Estado Soberano de Panama One Peso. This and the following 3 notes were authorized by law 17 of August 24, 1865. COMPLETE SET OF SEATED LIBERTY PROOF DOLLARS 1850 thru 1873

We are most pleased to present here a complete set of Proof seated dollars form 1850 thru 1873.

A great many of these are seldom offered and at least one has not been offered in a major auction since the Empire sale in 1957.

B. Max Mehl used the phrase "often the only bargain is the opportunity to buy". This is true and there may not be another opportunity to obtain some of these pieces for many years to come.

This is a "quality" set and the coins were chosen by the father-in-law of the consignor after many years of searching. Anyone would be proud to own a single piece but someone with the means to do so should consider seriously the possibility of purchasing every piece. This same set sold ten years from now would undoubtedly prove to be a most profitable investment. In the meantime, there would be the pride of ownership.

Almost all Seated Liberty Dollar proofs have a few minute hairlines. Near perfect coins, of which there are several in this group, are very rarely seen and should command prices substantially above the Red Book or other reference lists.

Other Seated proofs are found in the regular seated series preceding this.

688. 1850, Proof. Light toning. Superb strike. A very rare coin and should easily bring $2000.00

689. 1851, Original (High date), Proof. Wire rim reverse and partial high wire rim obverse. The coin does have a noticeable abrasion in the obverse field. Q. David Bowers, whose reputation needs no mention, says of this piece "Your original dollar (1851) is the finest I have ever seen. It is really a remarkable coin. It would be difficult to think of many U. S. silver coins which are rarer than this one." Should bring $3750.00

690. 1852, Restrike. Proof. Light toning. Small planchet defect by leg. Most excellent appearance with bold high wire rims. A very rare piece with less than 50 in existence. Nearly as scarce as the 1851. $3300.00

Excessively Rare 1853 Proof Dollar

691. 1853, Proof. Restrike. No originals are known. A most excellent piece with few imperfections. To indicate the rarity of this piece, an 1853 Proof has not been offered in a major auction since the Empire sale back in 1957. This is the first one we have handled in recent years and Stacks, in their long history of auctions, has handled only two specimens. It has to be a high rarity 7 with only 4 to 7 pieces available. Such a rarity ought surely to bring $4000 and we would not be surprised at $5000.00

---

692. 1854, Proof. A sharp bold strike with no noticeable hairlines. The obverse is especially sharp and attractive with light brown toning. The obverse has been given a very thin protective coating and there was some lint in the coating. The Mark's specimen realized $2600. This one should do as well and with the increased interest in rarities, it might well do better. $2750.00

693. 1855, Proof. A most superb specimen with a very delicate pleasing light tone and a most excellent strike. Taxay indicates that the 1855 to 1857 years are known for weak striking; but this is certainly not the case with this specimen. There is only one tiny scratch. Almost all those offered in the past have been impaired. This may be the finest known. $3000.00

694. 1856, Proof. Just beginning to tone. Very few imperfections and a superior coin. Full bold strike which is unusual for date. Another rarity seldom offered. The Marks specimen brought $1700. This one should do as well or better.

695. 1857, Proof. A beautiful brilliant coin with far fewer than usual hairlines. Has the typical slight weakness on the one eagle's wing. Otherwise an excellent strike which is uncommon. Another rarity missing from most collections. Should bring $2000.00

SEATED LIBERTY PROOF DOLLARS

696. **1858, Proof. A very rare coin and underrated by many. This specimen has a few hairlines but is brilliant and quite attractive. A similar piece brought $1600 in the Shuford sale in 1968. The Marks specimen brought $2600. This shows both the rarity of the piece and the rapid rise in price which is still continuing. $2750.00**

697. **1859, Proof. Bold strike. Very greatly underrated as it is believed with good authority that less than 100 proofs of this date were made. The catalogue estimate, in my opinion, is extremely low. $800.00**

EAGLES

1858 Eagle ($10 Gold)

1108. 1858. This is the same piece sold in our 1969 ANA sale. It is Extremely Fine-40 and just a bit rough. To quote from our description in 1969 "The RAREST of the $10 gold pieces! Earlier claims that only 4 specimens existed are without question exaggerated. However, it is certainly fair to say that there are only 10 or 12 extant". None have been offered in higher than EF, in recent history at least to our knowledge. The Wolfson EF realized $4250 over 10 years ago. The Shuford VF brought $4000 and the Miles EF realized $4300. With the present greatly increased interest in rarities, this piece should bring at least $5000 and could bring FAR more.

ANCIENT GOLD COINAGE

It is our great privilege to offer here what we believe to be the most extensive selection of ancient gold coins ever presented in the United States market. Very few European sales have surpassed the breadth of this offering.

Ancient gold in the current market may be characterized in the colloquial word as "HOT". Demand has been most outstanding and bidding has been quite active and at times heated.

In the recent Sotheby sale of ancient gold, prices realized were three times greater than estimated values. We have, as a result, made our estimates a bit higher than we might normally but it is still our feeling that our estimate may still be too conservative.

With the excellent selection and the present interest, bidding should be very spirited and we should have an exciting sale.

NOTES

Greater New York Convention and Auction Sale

We are now accepting consignments for the Greater New York Auction to be held in May 1973. The convention and auction will be held at the Park Sheraton Hotel in New York City, the city in which more coins are sold at major auctions than any other city in the world.

When your material is consigned to us, we present each coin, accurately described in a quality catalogue. If it is a rare or outstanding piece, we photograph it, obverse and reverse, and display it in the most advantageous manner.

An entire session may be reserved for your collection. You may wish to have your name associated with your collection, thus insuring a permanent remembrance.

Our commission is low with no extra hidden charges. You will receive a contract that protects you as a consignor.

Whether you are interested in consigning your entire collection or just a few rarities, write or call John S. Queen, Vice-President, for more details. Do so at once as the deadline for accepting consignments is March 15, 1973.
